*Christ for Unitarian Universalists* is an engaging and thoughtful inquiry into Christianity for Unitarian Universalists and other spiritual seekers?including skeptics, non-religious people, liberal Christians, and those who consider themselves “spiritual but not religious.” The book has several purposes. The first is to present Christ in an understandable and compelling way to the increasing number of people who do not consider themselves Christian. The second is to present liberal and progressive Christians with the non-dogmatic way that Unitarian Universalists have viewed Christ through the Bible and personal experience. And the third is to promote active dialogue between non-Christians and the nearly 80% of Americans who identify themselves as Christian.

*Christ for Unitarian Universalists* addresses frank questions with integrity and intellectual honesty yet also presents a sincere and genuine sense of love as embodied in Jesus that is so heartfelt, so unconditional, and so revolutionary that it will take your breath away.
