Avery Dare lives a quiet life in Miami as an online fashion/makeup video blogger. She has good friends and a close, large family, and if her love life is lacking she likes it that way. But when she receives a ticket to one of her ex's concerts along with an invitation to meet him backstage, she decides to take the risk...and comes face to face with the reality of his rock star lifestyle - the press, the crowds, and the half-naked groupies.

At 18 years old, Grey Kingston left everything he knew and loved behind to seek fame and fortune as a rock star, and he found it as the lead guitarist and singer for the band Tangled Royal. Fans adore him, women throw themselves at him, and he can afford everything he couldn't afford growing up. Yet at the height of his career, he's ready to walk away and return home to a simpler life...and the woman he left behind.

Except moving on isn't as easy as Grey would like. When Avery is threatened by a stalker, it becomes evident Grey's fans don't want him to retire, nor do they want Avery in his life. And Avery isn't sure she wants the pressures that are part of Grey's life...but she doesn't want to lose him again, either. Can their recently renewed love survive the fallout?
