Living in the Pink is a series of humorous and insightful short stories with Christian underpinnings. Through the eyes of the wise “Sister Pinky” and Believers Ministries International Church, these stories highlight issues that women grapple with but often remain unspoken in religious circles. The characters are everyday wives, mothers, and singles. They develop and gain a spiritual perspective in dealing with romantic relationships, wayward children, jealousy, church traditions, Christian hypocrisy, and self-righteous judgment, among other themes.

Discussion questions help readers connect with the storylines and urge them to look within—and up—to reach their highest potential in life.
