This is the strange and wondrous story of an eight-year voyage and a mission to save souls. Their mission started in the South Seas, where they reported scenes of chiefs surfing, perpetual warfare and a sudden surge of Christianity. From there they went via New Zealand, Australia and its aboriginal hinterland, through 'the Orient' to India and slave-ridden Mauritius. Based on contemporary journals, mission reports, letters and illustrations, and bursting with character and anecdote. ON THE MISSIONARY TRAIL is both the enthralling narrative of the longest missionary voyage ever undertaken and a colourful, detailed, eye-opening snapshot of little-known worlds, set against the wider picture of evangelism and guilt, heroism and humanity.
