## **Alongshore** Professor John R. Stilgoe

Along the shore are fishing boats and lighthouses, wharves and piers, resorts and shipwrecks - picturesque vistas that are visited and photographed but have never before been scrutinized from a historical or cultural perspective. In this enchanting book, John R. Stilgoe takes us on a tour of the seacoast, evoking its sights, sounds, and textures, and showing how it illuminates issues of landscape and of American culture. Drawing on sources as diverse as Thoreau and Kate Chopin, agricultural newspapers and the Hardy Boys, and always emphasizing his own hikes and small-boat passages along the coast, Stilgoe provides a guidebook for anyone intrigued by the seacoast, "the last place in which adult Americans walk barefoot." He describes guzzles (configurations of sand), gunkholes (unfrequented harbors), and loomings (optical phenomena on the horizon). He explains why watchtowers stand guard all along the Atlantic coast; why wharves are perennially decaying; the different ways that pirates have been perceived through the centuries; and why local women of the shore towns wear bikinis. Like the sea itself, Stilgoe's *Alongshore* invigorates and exhilarates, drawing us back to its pleasures again and again.

**From reader reviews:**

**Rosa Nguyen:**

As people who live in typically the modest era should be update about what going on or data even knowledge to make these people keep up with the era that is certainly always change and move forward. Some of you maybe may update themselves by reading through books. It is a good choice for you personally but the problems coming to a person is you don't know which you should start with. This Alongshore is our recommendation to make you keep up with the world. Why, because this book serves what you want and need in this era.

**Joseph Sutton:**

Nowadays reading books be than want or need but also become a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The details you get based on what kind of publication you read, if you want drive more knowledge just go with schooling books but if you want really feel happy read one having theme for entertaining for instance comic or novel. Often the Alongshore is kind of publication which is giving the reader capricious experience.

**Patricia Howard:**

Playing with family inside a park, coming to see the water world or hanging out with close friends is thing that usually you will have done when you have spare time, then why you don't try thing that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Alongshore, you could enjoy both. It is very good combination right, you still need to miss it? What kind of hang type is it? Oh occur its mind hangout fellas. What? Still don't have it, oh come on its called reading friends.

**Marie Walsh:**

In this age globalization it is important to someone to receive information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of references to get information example: internet, paper, book, and soon. You can observe that now, a lot of publisher that print many kinds of book. The particular book that recommended for you is Alongshore this guide consist a lot of the information from the condition of this world now. This kind of book was represented how do the world has grown up. The language styles that writer value to explain it is easy to understand. The actual writer made some investigation when he makes this book. This is why this book suitable all of you.
