Brent Mason's Grammy Award-nominated album *Hot Wired* is one of the most feted and influential guitar albums of all time – a benchmark release for fans of Country, Western Swing and Jazz guitar, and essential listening for any Telecaster player.

The album's legendary status was sealed when Mercury Records shelved the masters because Mason was reluctant to promote it due to his commitments as a Nashville studio musician.

This exclusive songbook presents all 10 tracks from the album meticulously transcribed in standard notation and guitar tab by Dario Cortese following sessions with Brent Mason himself in Nashville. Personally endorsed by Mason, with full track-by-track analysis, this is the definitive Hot Wired guitar book.
