Hyde's Dungeon Yamila Abraham

Alphonse gave a pensive moan. He feared the onslaught of sensation he was about to endure.

Alphonse, the kindhearted son of a dictator, is being forced to learn his father's ruthless ways, but the torture that goes on in Hyde's dungeon is too much for him to bear. Alphonse is horrified that someone as charming and seductive as Hyde can show such cruelty.

Hyde refuses to allow Alphonse to think he's a monster. The men in his dungeon are feeling pleasure, not pain. Alphonse is dubious...but Hyde is more than happy to demonstrate on him.

With a mixture of tenderness and trust, author Yamila Abraham proves that even the most innocent submissive can enjoy an extreme initiation at the hands of a loving master.

The dungeon is a bizarre bastion of kindness in an otherwise ruthless world. Hyde uses tools that are somewhat unique - tools that could be used for legitimate torture if a master so desired.

There are no paddles or whips in Hyde's dungeon. Hyde specializes in something far more extreme.

From reader reviews:

Mildred Wright:

Nowadays reading books are more than want or need but also work as a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge even the information inside the book that improve your knowledge and information. The data you get based on what kind of publication you read, if you want get more knowledge just go with education and learning books but if you want truly feel happy read one having theme for entertaining for instance comic or novel. The Hyde's Dungeon is kind of publication which is giving the reader capricious experience.

Dennis Byrd:

Playing with family within a park, coming to see the sea world or hanging out with friends is thing that usually you will have done when you have spare time, after that why you don't try thing that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Hyde's Dungeon, you may enjoy both. It is excellent combination right, you still desire to miss it? What kind of hang type is it? Oh come on its mind hangout guys. What? Still don't buy it, oh come on its called reading friends.

Robert Monson:

Is it an individual who having spare time after that spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This Hyde's Dungeon can be the respond to, oh how comes? The new book you know. You are therefore out of date, spending your free time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?

Christopher Scoville:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Hyde's Dungeon can make you feel more interested to read.
