The Lioness (NHB Modern Plays)

Rebecca Lenkiewicz

The Lioness (NHB Modern Plays) *Rebecca Lenkiewicz*

Elizabeth I described herself as Queen, King and Prince, thriving in a male world, and saving the country from debt and wars. Self-proclaimed wife and mother to England, her virgin status was part of her myth, as she consistently refused marriage, citing herself as already taken. Here we see Elizabeth as both a woman and a leader as she encounters John Knox, the ultimate misogynist, and Essex, her favourite.

This play was first staged at the Traverse Theatre, in 2010 as part of the *Women, Power and Politics* season.
