If you move into the deepest teachings of any great spiritual tradition, at some point you must move beyond the tradition itself and any idea of enlightenment. What is it that remains when the spiritual path, and even enlightenment, is transcended? *Dismantling the Fantasy* is a consideration of the movement out of thought itself. This may sound extreme or even impossible, but again it is a simple consideration of your potential as a human being, and you can easily understand it from the life experience you already have.
