Inventing George Washington: America's Founder, in Myth and Memory

Edward G. Lengel

Inventing George Washington: America's Founder, in Myth and Memory Edward G. Lengel

“Lengel’s Washington is the archetypal American soldier—an amateur citizen in arms who struggles to learn an unfamiliar and demanding craft on the job....Outstanding.” —*Publishers Weekly* (starred review) on *The Glorious Struggle*

Editor-in-Chief of the Washington Papers Project Edward G. Lengel delivers an entertaining and erudite history of America's Founding Father. In *Inventing George Washington*, a captivating counterpart to Lengel’s *General George Washington: A Military Life*, the historian looks at Washington’s life and writings, at the creation of his mythos, and at what his legacy means for our nation and ourselves.
