The Sharp sisters are bold, bright, sassy, stylin', and fierce. As the daughters of mayoral candidate Stanley Sharp, all eyes are on them as they attend high school. Every choice they make can make or break their father's campaign—and make or break their own chances for success.

Shelby aims to be the next great fashion designer, but while working with her design mentor, she discovers some ugly secrets that fashion can't hide: domestic violence. She doesn't understand why the victims would allow the abuse. Can Shelby convince them to take a stand, or should she keep her mouth shut?
