To Walk in Wilderness John Fielder

Author T.A. Barron and acclaimed nature photographer John Fielder spent a month exploring the Maroon Bells-Snowmass Wilderness near Aspen, Colorado, trekking more than 200 miles through the spiritual heart of the Riocky Mountains. With Fielder's large-format camera and Barron's notepads and pens, the two have recorded what may well be one of the most sensitive and insightful accounts of life in the wild ever published.
