For Claire O'Brian, a bright and beautiful archaeologist, working at a newly discovered archaeological site in the wilds of Guatemala is her opportunity of a lifetime. Unfortunately, the dig is being funded by Darren Stark, her manipulative ex-boyfriend. And if that isn't enough, several rare artifacts have disappeared -- and Claire suspects everyone.

Enter "Bump" St. James, a handsome and capable private investigator. As Claire and Bump work together to unearth the mystery, their mutual attraction deepens.

However, in a dramatic confrontation, Claire learns that Darren Stark will do anything to keep her from learning the truth about the missing artifacts. *Anything*.
