Le omosessualità (Le bussole) (Italian Edition) Chiara Bertone

Come si è arrivati a distinguere le persone in eterosessuali e omosessuali, e perché c'è ancora tanta ostilità sociale verso l'omosessualità? Quali sono, oggi, i diversi modi di definirsi e vivere come lesbica o gay? Il libro ricostruisce il percorso storico che ha portato a considerare l'omosessuale come "diverso" e illustra le forme e i contesti in cui attualmente gay e lesbiche definiscono la propria identità, creano spazi in cui poterla esprimere, fanno famiglia. La conoscenza delle omosessualità è proposta come una chiave di lettura utile per comprendere anche la costruzione delle eterosessualità e delle differenze di genere.
