Projects and experiments to inspire and challenge your kids!

The STEM fields (science, technology, engineering, and math) are top education priorities in the United States--and they are growing fields with a high demand for jobs. If you want to make sure your children are prepared for the future in these fields, here's how you can help: Make it fun! Expose them to hands-on, real-world, and fun activities so they'll become engaged, motivated, and successful students later on.

Look inside for ideas and activities to stimulate your child's interest in these fascinating subjects, including:

- Racing juice cans
- Setting up a circuit
- Observing potato osmosis
- Building a mousetrap race car
- Creating a Cartesian treasure map
- Going on a geometry scavenger hunt
- Building a bridge
- Exploring food chemistry

With easy-to-understand examples, problem-solving tips, and hands-on projects your family can create together, this guide gives you the tools you need to help your kids excel and foster a lifetime love of learning.
