The Hour of Europe: Western Powers and the Breakup of Yugoslavia Josip Glaurdic

By looking through the prism of the West's involvement in the breakup of Yugoslavia, this book presents a new examination of the end of the Cold War in Europe. Incorporating declassified documents from the CIA, the administration of George H.W. Bush, and the British Foreign Office; evidence generated by The Hague Tribunal; and more than forty personal interviews with former diplomats and policy makers, Glaurdi? exposes how the realist policies of the Western powers failed to prop up Yugoslavia's continuing existence as intended, and instead encouraged the Yugoslav Army and the Serbian regime of Slobodan Miloševi? to pursue violent means.

The book also sheds light on the dramatic clash of opinions within the Western alliance regarding how to respond to the crisis. Glaurdi? traces the origins of this clash in the Western powers' different preferences regarding the roles of Germany, Eastern Europe, and foreign and security policy in the future of European integration. With subtlety and acute insight, *The Hour of Europe* provides a fresh understanding of events that continue to influence the shape of the post-Cold War Balkans and the whole of Europe.
