In *Paint It Black*, DEA agent Necie Bramhall thinks she knows a thing or two about revenge. She's devoted to bringing down the drug lord father who abandoned her. When she finally captures him, she thinks she'll be able to put her painful past behind her. What she doesn't realize is that she's created a brand-new enemy. A deadly enemy: her half-sister Maria Barnes, who vows to destroy Necie, her marriage, and her family. Necie's father, the only one who can save her, is behind bars, where Necie herself put him. In *The Three Motives for Murder*, a car crash on graduation night leaves three Coalmont, Tennessee, teenagers dead and another three fighting for their lives. Four years later, no one in the small town feels the aftershocks more than Natasha Hawthorne, the young driver. When a murderer targets the survivors, newly appointed police chief Brady Simms finds himself standing squarely between the killer and his next victim, the woman who broke his heart four years ago. Brady's only hope of saving the intended victims is to get into the mind of a sociopath. What he finds will change their lives forever. In *In Enemy Hands*, reclusive businessman Gary Vandergriff offers Dante Giovanni a cool half million to bring home his estranged daughter, Nadia. His first meeting with her is stunning. He foils an attempt on her life and falls immediately under her spell. It's not going to be hard to keep her safe from the Mexican drug lord infuriated by her stepfather's expanding meth operation. He'll take her out of harm's way, no problem, get her back to her father, and enjoy the ride along the way. Everything is great. Until he delivers her into enemy hands. In *Cain and Abel*, an unexpected pregnancy sparks a daring plan of escape for a brutally battered wife in Los Angeles. Jessica Ramsey fakes her death and flees to Tennessee. Five years later, a chance encounter has destroyed Jessica's carefully cultivated anonymity. She thought at first Cole had found her, but it was his twin, Alex, who unwittingly unmasked her. Now she must trust him to save her from Cole's wrath. But the twins are bound by blood. Will it prove stronger than the fragile relationship growing between Alex and Jessica? Or will a third time be a deadly charm?
