APhA's Immunization Handbook, 3rd Edition

Lauren B. Angelo

APhA's Immunization Handbook, 3rd Edition Lauren B. Angelo

This handbook provides practical and timely updates for pharmacists and pharmacy staff who are involved in pharmacy-based immunization services. Updated throughout, the 20 chapters present a step-by-step process for developing and implementing immunization services.

KEY FEATURES:

- Guidelines, tips, and resources for building and sustaining a successful immunization practice and increasing vaccination rates
- Practical advice for pharmacists, pharmacy managers and owners, pharmacy technicians, and student pharmacists involved in vaccine administration
- Details on service implementation, including workflow models and standing orders
- Business management guidance ranging from marketing the service to getting paid for the service
- Vaccine safety and adverse event management
- A new chapter dedicated to vaccine recommendations for immunocompromised and high-risk patients
- Complete product information on most of the vaccines licensed in the United States
- Compact size for portability to other clinics and sites
