Essential Building Services, Second Edition Fred Hall

'Essential Building Services and Equipment' is a concise and handy reference work for students and construction industry personnel, from the craftsman to the higher technician and the site manager.

This new edition has been fully updated in line with latest Building Regulations. The coverage is appropriate for courses from RICS, CIOB, City & Guilds and BTEC. Also, this is an ideal book for the building services units of the Advanced GNVQ. Taking a similar approach, with numerous illustrations and concise text, this book is the perfect companion to Roy Chudley's 'Building Construction Handbook'.

Frederick Hall was formerly senior lecturer in building services and equipment at Guildford College, and is a respected author of books on building services.
