**Murder & Mayhem in Houston: Historic Bayou City Crime** Mike Vance, John Nova Lomax

When the Allen brothers sold Houston's first lots, the city became a magnet for enterprising tycoons and opportunistic crooks alike. As the young city grew, a scourge of crime and vice accompanied the success of oil and real estate. The Bayou City's seedy side--flashing Bowie knives, privileged bad boys, hardened prostitutes and unchecked serial killers--established its hold. From a young Clyde Barrow to the "Man Who Killed Halloween," Houston's past is filled with bloody tales, heartbreaking loss and despicable deeds. Authors Mike Vance and John Nova Lomax shine a light on these dark days.
