**Nos bastidores do câncer (Portuguese Edition)** Maria do Carmo Vieira-Montfils

Este livro não é um documento médico profissional. Seu formato informal se assemelha mais a um ensaio, sem o compromisso de provar nada e abrindo espaço para reflexões éticas e filosóficas. A autora oferece um novo ângulo de visão para o tratamento do câncer e convida seus leitores a participarem de um projeto para uma nova abordagem. O texto tem a pretensão de se dirigir ao paciente e àqueles à sua volta, à equipe de cuidados de saúde, ao pesquisador e a outros que, porventura, possam estar interessados no assunto “câncer”, com uma abertura de mente tão generosa quanto possível, a fim de refletir sobre nossas indagações e nossas necessidades.
