Nós (Portuguese Edition)

David Nicholls

Nós (Portuguese Edition) David Nicholls

Certa noite, Douglas Petersen, um bioquímico de 54 anos apaixonado pela profissão, por organização e limpeza, é acordado por Connie, sua esposa há 25 anos, e ela lhe diz que quer o divórcio.

O momento não poderia ser pior. Com o objetivo de estimular os talentos artísticos do filho, Albie, que acabou de entrar para a faculdade de fotografia, Connie planejou uma viagem de um mês pela Europa, uma chance de conhecerem em família as grandes obras de arte do continente. Ela imagina se não seria o caso de desistirem da viagem. Douglas, porém, está secretamente convencido de que as férias vão reacender o romance no casamento e, quem sabe, também fortalecer os laços entre ele e o filho.

Com uma narrativa que intercala a odisseia da família pela Europa — das ruas de Amsterdã aos famosos museus de Paris, dos cafés de Veneza às praias da Barcelona — com flashbacks que revelam como Douglas e Connie se conheceram, se apaixonaram, superaram as dificuldades e, enfim, iniciaram a queda rumo ao fim do casamento, *Nós* é, acima de tudo, uma irresistível reflexão sobre a meia-idade, a criação dos filhos e sobre como sanar os danos que o tempo provoca nos relacionamentos. Sensível e divertido, com a sagacidade e a inteligência dos outros livros do autor, o romance analisa a intrincada relação entre razão e emoção.

David Nicholls é autor de *Um dia*, best-seller internacional, que já vendeu mais de 400 mil exemplares no Brasil e foi adaptado para os cinemas com Anne Hathaway e Jim Struggess no elenco.

Nós foi indicado como finalista do Man Booker Prize de 2014 antes mesmo de ser publicado na Inglaterra e eleito um dos melhores livros do ano pela Amazon.

“Amei esse livro. Divertido, triste, delicado: para qualquer um que queira saber o que acontece depois do ‘felizes para sempre’.” **Jojo Moyes, autora de *Como eu era antes de você* e *Um mais um***

“Gostou de *Um dia*? Então você vai achar este romance absolutamente fabuloso. Muito divertido e emocionante, quase sempre ao mesmo tempo.” **Daily Mail**

Outros livros do autor: *Um dia*, *Resposta certa* e *O substituto*
