Lindsey Barker spins a riveting tale of a love triangle filled with passion, suspense, and intrigue. Stephanie Stratford runs away from a loveless marriage when she discovers her husband is planning to murder her. The paranormal comes into play when a handsome deity comes to her aid. Love is forbidden between them, but they throw caution to the wind. Steve is the love of her life, her soul mate, but he cannot stay, and her heart is broken. Steve leaves with a promise that she will love again. Unexpectedly, her life becomes intertwined with Ty Tanaka, a handsome, Japanese tycoon. He awakens Stephanie with his expertise knowledge of gentle tantra. She may have had a fairy tale ending, but before Ty could whisk her away to his pineapple plantation in Maui, a new suitor arrives. Derrick, an intriguing, dark, curly haired FBI agent who has waited six long years to make her his own. The two powerful men become rivals, and Ty enlists the help of his twin, Trent, to help fend off Derrick. Trent is rough, and reckless, but not strong enough to fight off his desire for his brother's wife. In the dark of the night, Stephanie's cries of passion are heard throughout the plantation. Three powerful men and one woman. One man is determined to have her forever, and devises a way to keep her. Another teaches her to fight her fears. And one will protect her with his life. She finds herself caught in a net, something the deity had warned her about. The paranormal appears again in the form of the Hawaiian Goddess, Peli, Ty Tanaka's spiritual guide. Peli tells her what must be done. Will Stephanie listen to Peli or her own heart? Exhilarating! Sex, gentle tantra, control, thrills and chills.
