Probing one of most organized and complex criminal enterprises in the United States, this report exposes the dynamics of the Octopus, a globe-trotting undercover intelligence operative. Based on 18 years of investigative research, this account reveals high-level, covert government operations and the elaborate corporate structures and the theft of high-tech software (PROMIS) used as smoke-and-mirror covers for narcotics trafficking, money laundering, arms sales, and espionage. The Octopus connections to a maze of politicians and officials in the National Security Council, the CIA, the FBI, and the U.S. Department of Justice are revealed.
