Why won't he ask for directions? Why does she always want to talk about the relationship? Why is it so hard for men and women to understand each other . . . and what can we do about it? These are the kinds of questions that are resolved at last in *Why Men Never Remember and Women Never Forget* from the founder of gender medicine. Dr. Marianne Legato not only confirms that men and women are different, but she uncovers the neuroscientific reasons behind the age-old disputes between the sexes, while providing a groundbreaking, authoritative, and reader-friendly guide to resolving them.
