William Giraldi

**Busy Monsters: A Novel** William Giraldi

“The best literary present . . . has a delicate sweetness that shows through at just the right moments.”—Ron Charles, *Washington Post Book World*

Echoing a narrative line that includes Kurt Vonnegut and Joseph Heller, William Giraldi’s *Busy Monsters* has been hailed as one of the most exciting fiction debuts in years. Penned with a linguistic bravado that explores the diaphanous line between fiction and fact, this “very funny, very inventive début novel” (*The New Yorker*) has at last revived the great American picaresque tradition.
