Discovering the Septuagint: A Guided Reader

Discovering the Septuagint: A Guided Reader

Quick access to Septuagint vocabulary and syntax for students with two years of biblical Greek

Interest in the Septuagint today continues to grow stronger. Despite that interest, students have lacked a guidebook to the text similar to the readers and handbooks that exist for the Greek New Testament.

Discovering the Septuagint: A Guided Reader fills that need. Created by an expert on the Septuagint, this groundbreaking resource draws on Jobes's experience as an educator in order to help upper—level college, seminary, and graduate students cultivate skill in reading the Greek Old Testament.

This reader presents, in Septuagint canonical order, ten Greek texts from the Rahlfs—Hanhart Septuaginta critical edition. It explains the syntax, grammar, and vocabulary of more than 700 verses from select Old Testament texts representing a variety of genres, including the Psalms, the Prophets, and more.

The texts selected for this volume were chosen to fit into a typical semester. Each text (1) is an example of distinctive Septuagint syntax or word usage; (2) exemplifies the amplification of certain theological themes or motifs by the Septuagint translators within their Jewish Hellenistic culture; and/or (3) is used significantly by New Testament writers.

This Discovering the Septuagint: A Guided Reader having fine arrangement in word in addition to layout, so you will not truly feel uninterested in reading.

Donna Nichols:

Your reading 6th sense will not betray an individual, why because this Discovering the Septuagint: A Guided Reader reserve written by well-known writer we are excited for well how to make book that could be understand by anyone who all read the book. Written inside good manner for you, dripping every ideas and writing skill only for eliminate your own hunger then you still question Discovering the Septuagint: A Guided Reader as good book not simply by the cover but also through the content. This is one publication that can break don't judge book by its protect, so do you still needing yet another sixth sense to pick that!? Oh come on your examining sixth sense already told you so why you have to listening to yet another sixth sense.

Larry Gregg:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's heart or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Discovering the Septuagint: A Guided Reader can make you feel more interested to read.

Billie Gallagher:

What is your hobby? Have you heard that question when you got scholars? We believe that that query was given by teacher to their students. Many kinds of hobby, All people has different hobby. And you also know that little person like reading or as reading through become their hobby. You have to know that reading is very important and also book as to be the matter. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You find good news or update concerning something by book. A substantial number of sorts of books that can you choose to use be your object. One of them are these claims
