Everest : Mountain Without Mercy Broughton Coburn

David Breashears, the first American to scale Everest twice, was a veteran of nine previous Himalayan filmmaking expeditions when he agreed to lead what became his most challenging filmmaking experience. The expedition was organized by large-format motion picture producer MacGillivray Freeman Films and was comprised of an international team of climbers. Their goal was to carry a specially modified 48-pound IMAX motion picture camera to the summit of Everest and return from the top of the world with the first footage ever shot there in this spectacular format. A stunningly illustrated portrait of life and death in a hostile, high-altitude environment where no human can survive for long, Everest invites you to join Breashears, his climbers, and his crew as they make photographic history. Author Broughton Coburn traces each step of the team's progress toward a rendezvous with history - and suddenly you're on the scene of a disaster that riveted the world's attention. Everest incorporates a first-person, on-the-scene account of the most tragic event in the mountain's history: The May 10, 1996, blizzard that claimed eight lives, including two of the world's top climbing expedition leaders. It is a chronicle of the courage and cooperation that resulted in the rescue of several men and women who were trapped on the lethal, windswept slopes. Everest is also a tale of triumph. In a struggle to overcome both the physical and emotional effects of the disaster on Everest, Breashears and his team rise to the challenge of achieving their goal - humbled by the mountain's overwhelming power, yet exhilarated by their own accomplishment.

From reader reviews:

William Duhon:

Nowadays reading books are more than want or need but also turn into a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book this improve your knowledge and information. The info you get based on what kind of reserve you read, if you want have more knowledge just go with education and learning books but if you want sense happy read one using theme for entertaining like comic or novel. The Everest : Mountain Without Mercy is kind of e-book which is giving the reader unstable experience.

Melinda Gregory:

This book untitled Everest : Mountain Without Mercy to be one of several books that best seller in this year, that's because when you read this e-book you can get a lot of benefit onto it. You will easily to buy that book in the book retail store or you can order it by means of online. The publisher on this book sells the e-book too. It makes you easier to read this book, because you can read this book in your Smartphone. So there is no reason for you to past this book from your list.

Travis Davis:

Reading a publication can be one of a lot of exercise that everyone in the world enjoys. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new info. When you read a guide you will get new information due to the fact book is one of numerous ways to share the information or perhaps their idea. Second, looking at a book will make you more imaginative. When you examining a book especially fictional works book the author will bring one to imagine the story how the character types do it anything. Third, you may share your knowledge to other folks. When you read this Everest : Mountain Without Mercy, you can tells your family, friends in addition to soon about yours guide. Your knowledge can inspire different ones, make them reading a reserve.

Virginia Kang:

This Everest : Mountain Without Mercy is great publication for you because the content that is certainly full of information for you who also always deal with world and also have to make decision every minute. This kind of book reveal it info accurately using great organize word or we can state no rambling sentences inside it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but tricky core information with beautiful delivering sentences. Having Everest : Mountain Without Mercy in your hand like having the world in your arm, information in it is not ridiculous just one. We can say that no reserve that offer you world with ten or fifteen minute right but this reserve already do that. So , this really is good reading book. Hey there Mr. and Mrs. stressful do you still doubt that?
