## Joshua (Calvin's Old Testament Commentaries) John Calvin

"The commentary on Joshua was the last literary labour of it's venerable author. When he engaged in it, his constitution, which had never been strong, was completely worn out by excessive exertion, and almost every line of it must have been dictated to his amanuensis during momentary intervals of relief from severe bodily pain. On this point we possess authentic documents which leave no room for doubt." excerpt from translator's preface.
