**The Ice Pilots: Flying with the Mavericks of the Great White North** Michael Vlessides

*As seen on TV!*

*The Ice Pilots follows renegade Arctic airline Buffalo Airways, and pilots who defy the cold and the competition by using WWII era propeller planes like the DC-3 to haul vital fuel, supplies, and passengers to remote outposts across the world's last great wilderness. From rookie pilots trying to earn their wings in sometimes hellish conditions to vintage planes that flew over Normandy on D-Day, The Ice Pilots brings its readers on an engaging romp through Arctic skies.*

*Michael Vlessides braves bone-chilling temperatures, treacherous landings, and iconic owner "Buffalo" Joe McBryan's famous temper to capture behind-the-scenes stories about the ice pilots, the crew, and the communities they serve. Weaving in history about bush pilots, plane crashes, and the north, he has crafted an entertaining, informative narrative about aviation, the lifeline of this remote world.*

*Based on the top-rated Ice Pilots NWT television series now airing on The Weather Channel USA, History Television Canada, National Geographic Australia, and in 12 countries around the world.*
