## **The Knowing of Annie Stewart (The Annie Stewart Series) (Volume 1) Carrington Stuart**

A chilling tale of danger and betrayal as a woman goes to extraordinary lengths to uncover her true identity. Anne Stewart wakes up on a beautiful morning in July, to an ordinary day, and to the realization that she remembers another family, another home. But could it be?

To her surprise, when the first shock wave of truth appears, her loyal friends quickly disappear. The theatrics and the whisperings begin, in an attempt to discredit her. Puzzled at their unusual behaviour, she watches as they scatter without a second glance.

The chilling secrets and stories, which have kept her true identity so carefully concealed, have the power to silence and stop everyone around her, or so it seems.

In the face of danger, and up against extraordinary combative gamesmanship, Anne Stewart chooses to push back hard, defy the odds, and find out who she really is.
