It is the early days of Magic: The Gathering. Wizards has just announced the first professional competition : Pro Tour New York. Follow along as the author and his friends discover Magic, go to their first tournaments then the first Pro Tour. After getting a taste for professional competition they strive to get back on the tour through qualifier after qualifier. Strategy, deck lists, humor and accounts of the early days of Magic: The Gathering when people still played for ante, Shivan Dragons ruled the skies and people were just starting to understand the value of a Black Lotus. (This book was previously published as "Tournament Reports." This version has been renamed and extensively revised for grammar, spelling and punctuation.)

### **From reader reviews:**

#### **Margaret Gray:**

What do you regarding book? It is not important along with you? Or just adding material when you require something to explain what your own problem? How about your time? Or are you busy individual? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Every individual has many questions above. They should answer that question since just their can do which. It said that about publication. Book is familiar in each person. Yes, it is appropriate. Because start from on kindergarten until university need this particular The Quest For The Pro Tour to read.

#### **Roger Alford:**

People live in this new day time of lifestyle always make an effort to and must have the free time or they will get great deal of stress from both day to day life and work. So , once we ask do people have spare time, we will say absolutely of course. People is human not just a robot. Then we ask again, what kind of activity are there when the spare time coming to anyone of course your answer will probably unlimited right. Then ever try this one, reading ebooks. It can be your alternative in spending your spare time, the book you have read will be The Quest For The Pro Tour.

#### **Shirley Cochran:**

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the educator want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The Quest For The Pro Tour can make you really feel more interested to read.

#### **Milan Allen:**

What is your hobby? Have you heard this question when you got learners? We believe that that question was given by teacher to their students. Many kinds of hobby, All people has different hobby. And you also know that little person just like reading or as reading become their hobby. You have to know that reading is very important in addition to book as to be the matter. Book is important thing to add you knowledge, except your teacher or lecturer. You get good news or update in relation to something by book. Different categories of books that can you choose to use be your object. One of them is this The Quest For The Pro Tour.
