It's fifteen years later for the *Gossip Girl* crew, and debutante-turned-socialite Blair Waldorf-Bass, the queen bee of New York's Upper East Side, is set to discover that the apple doesn't fall too far from the tree...

They say history has a way of repeating itself, and Blair's daughter, Ashley, is now the Queen of Mean at Constance-Billard, with the latest generation of the bold, the beautiful, and the spoiled wrapped around her little finger.

And when Chuck leaves Blair and his family for a pregnant Jenny Humphrey, who stole him right from under Blair's nose, Ashley vows revenge on her father and his lover—and as we all know, getting mad has never worked for the Bass clan, but getting even runs in the family.

Throw in old friends, long-hidden secrets, rampant infidelity, and even murder, and *Murder and Mayhem* is sure to offer *Gossip Girl* fans plenty of delicious deep-dish gossip, just like old times.

*This book was initially released in episodes as a Kindle Serial. All episodes are now available for immediate download as a complete book.* Learn more about Kindle Serials
