Situated along the Georgia border, Augusta is known for its golf, beautiful private gardens and southern culture. But its history is also brimming with strange stories yet to be told. A beleaguered German princess gave the city its name. A “haunted pillar” survived a tornado that destroyed the area in 1878. The famous Wright brothers opened a branch of their flying school here in 1911. Author and historian Tom Mack uncovers and celebrates these gems hidden in Augusta’s rich and teeming history.
