**North Cascades Crest: Notes and Images from America's Alps** James Martin

Mountain lovers can relive and enjoy these striking rocky precipices from the comfort of a soft chair.

Mountaineers Books is proud to reissue three stunning photography books by award-winning cameraman and mountaineer James Martin that feature some of the most beloved peaks in the West. These books offer a visual journey through the craggy crest of the North Cascades, the glaciers and wilderness of Mount Rainier, and the luminescent peaks of the Sierra Nevada. Each book gives context to the images by detailing the geological history of the mountains, describing the flora and fauna and relating stories from the human climbing history of these peaks.
