**From the author of *Get Carter* and *GBH* comes a tense and psychologically complex tale of revenge and blackmail that rightfully belongs among Ted Lewis's greatest work.**

Two men share a common history. Growing up together in the small town of Barton-Upon-Humber in Lincolnshire, England, Peter Knott is everything that Brian Plender wishes he were. Knott is suave, good-looking, an exemplary student and popular. The friendship they maintain is as important to Plender as it is forgettable to Knott, and eventually leads to a lasting humiliation for Brian.

Years later Brian Plender is a dangerous man. A private investigator who specializes in extortion, blackmail, and intimidation, Plender is a manipulative psychopath capable of anything should it improve his status. Knott meanwhile is a family man adrift, beholden to his wife for money, which he makes photographing catalogs for her father's large mail order company. His wandering eye and a taste for younger women, lingerie—something his wife doesn't altogether go for—and access to a parade of girls looking to break into modeling has led Knott through a series of sordid affairs.

When at a bar, which he uses to set up marks, Plender spots Knott with a girl too young to be his wife and he decides to follow the pair and see what happens. At first it's out of curiosity but soon it turns to a darker, more opportunistic motivation. What follows is an edge-of-your-seat trip into a nightmare that manages to be both incredibly creepy and eerily profound.
