Senhores De Poucos Escravos (Portuguese Edition)

Ricardo Alexandre Ferreira

Senhores De Poucos Escravos (Portuguese Edition) Ricardo Alexandre Ferreira

Neste livro, analisam-se aspectos do pensamento da pesquisadora Emilia Ferreiro sobre alfabetização, com ênfase em suas concepções a respeito do processo de construção do conhecimento da língua escrita, por parte de crianças, que resultam de sua pesquisa sobre a psicogênese da língua escrita fundamentada na Epistemologia Genética de Jean Piaget e na Psicolinguística de Noam Chomsky e que tiveram significativa repercussão em nosso país, a partir de meados dos anos de 1980. O tema é abordado de uma perspectiva histórica, por meio da utilização de procedimentos de localização, reunião e ordenação da bibliografia disponível de e sobre Emilia Ferreiro e da análise da configuração textual do livro Psicogênese da língua escrita. A pesquisa propiciou tanto uma avaliação mais precisa da importância e do significado do pensamento dessa pesquisadora quanto à constatação de que a matriz invariante de seu pensamento encontra-se no livro analisado.
