The Spear and the Crag Alexander A. Bleimann

While not a religious story, the novel involves the early beliefs in the monotheistic deity by the ancient Israelites, or Hebrews, and their friendly non-idol worshipping neighbours and wandering tribes in ancient Palestine. The novel describes the revulsive incidents, hatred, and customs in the region among nearly all diverse groups. The 'Spear' and the 'Crag' are representations and metaphors frequently mentioned in the Pentateuch through which these numerous confrontations and incidents occur.

However, the author has used modern historiographic style to modernize the language and parlance taken from the language of the bible (Genesis and Numbers); and, vividly replaced in this novel.
