"Insightful and filled with verve...electrifying."—*Wall Street Journal*

Hailed as "an astute book of enormous importance" (Sherwin Nuland), *The Surgeons* follows the team at one of the world's premier cardiac surgery and transplant centers. Given unprecedented access, Charles R. Morris recounts in thrilling detail a late-night against-the-clock "harvest run" to secure a precious transplantable organ, the heartbreaking story of a child's failed transplant, and more. Along the way, Morris reflects on how doctors really think, rising health care costs, and the future of health care in America.
