**The Teachers We Need vs. the Teachers We Have: The Realities and the Possibilities** Lawrence Baines  
Misinformation and propaganda abound about the quality of teacher preparation in the United States. The Teachers We Need vs. the Teachers We Have reveals exactly how American teachers are taught, describes the wide disparities in the preparation of teachers across states, depicts how market-driven teacher preparation waters down the quality of teachers, and explains how teacher preparation in America compares with preparation for other careers in the United States and with teacher preparation programs in other countries.
