Lewis Aron

A Meeting of Minds: Mutuality in Psychoanalysis: v. 4 (Relational Perspectives Book Series) Lewis Aron

In this richly nuanced assessment of the various dimensions of mutuality in psychoanalysis, Aron shows that the relational approach to psychoanalysis is a powerful guide to issues of technique and therapeutic strategy. From his reappraisal of the concepts of interaction and enactment, to his examination of the issue of analyst self-disclosure, to his concluding remarks on the relational import of the analyst's ethics and values, Aron squarely accepts the clinical responsibilities attendant to a postmodern critique of psychoanalytic foundations.
