## Canarios en la musica cubana (Spanish Edition) Olivia Cano Castro

Este trabajo propone un recorrido por la historia de la música en Cuba. Un trayecto que parte desde el primigenio aporte español y canario en la difusión de cantares y el uso de instrumentos que conformarían el punto cubano –tan cubano como canario– y llega hasta la actualidad, pasando por los albores de la música culta en Cuba. Un viaje por el tiempo que fija su atención en personajes clave en la formación de la música cubana, como Esteban Salas, descendiente de un lagunero, compositor de villancicos, cantatas y pastorelas, y en figuras universalmente reconocidas como Ernesto Lecuona, Leo Brouwer y otros nombres fundamentales para el conocimiento de la evolución musical de la isla. El presente libro propone al lector recordar a estos personajes, símbolos del latir del corazón común de las dos orillas del Atlántico.
