## **Flying Solo: How Ruth Elder Soared into America's Heart** Julie Cummins

In 1927, airplanes were a thrilling but dangerous novelty. Most people, men *and* women, believed that a woman belonged in the kitchen and not in a cockpit. One woman, Ruth Elder, set out to prove them wrong by flying across the Atlantic Ocean. Ruth didn't make it, crashing spectacularly, but she flew right into the spotlight and America's heart. This is the story of a remarkable woman who chased her dreams with grit and determination, and whose appetite for adventure helped pave the way for future generations of female flyers.
