## **Judge Dredd The Garth Ennis Collection** Garth Ennis

FROM THE MEAN STREETS OF MEGA-CITY ONE to the bizarre theme park-based Emerald Isle, Garth Ennis' Judge Dredd stories provided plenty of action and humour which still resonate with fans of 2000 AD today.

After taking over on the strip from original Judge Dredd creator John Wagner, Garth remains among only a handful of writers to have had a successful run on the adventures of the future lawman. This collection features some highlights from that time and includes the stunning artwork of Steve Dillon (Preacher), Cliff Robinson (Judge Anderson), Ian Gibson (Halo Jones) and Greg Staples (Bad Planet), amongst others.
