When your child reveals that he or she is attracted to the same sex, how you respond may have a lot to do with your faith. Doesn't the Bible say that's wrong? Will we have to leave our church? Worst of all, you may wonder, "Do I have to choose between my Christian faith and my child?"

Susan Cottrell is a mom who has been there and wants you to know that loving and accepting your gay child does not mean abandoning or even compromising your faith. This is not a book about the politics or morality of homosexuality. This is a book about how to respond with love and support during this vulnerable time for your child. With practical advice and heartfelt encouragement, Cottrell guides readers through the fear and uncertainty Christian parents of LGBTQ children often feel.
