## **Seventeenth Summer** Maureen Daly

Until the summer before college, Angie Morrow didn't really date. Her mother didn't like her to go out much. But no one -- not even Angie's mother -- can resist the charm of strikingly handsome Jack Duluth. His good looks grab Angie's attention from the moment in June when Jack throws Angie a smile at McKight's drugstore. And on their first date sailing under the stars -- when Jack leans in and whispers to Angie, "You look nice with the wind in your hair," the strange new feeling s begin. Tingles, prickles, warmth: the tell-tale signs of romance. It's the beginning of an unforgettable summer for Angie, full of wonder, warmth, tears, challenge, and love.

Maureen Daly had created a love story so honest that it has withstood the test of time, winning new fans for more than six decades. Today, this classic is enjoyed by many who think of it as the quintessential love story, and as a glimpse of love in the 1940's; a refreshing alternative to modern love stories, reflecting the beauty and innocence of new love.
