The Art of On-the-job Writing Philip Vassallo

Become a more effective and efficient writer today!

More than a technical manual of writing style and grammar, this book offers a unique method for achieving workplace-writing success by offering four critical tools: the PDQ integrated writing process (planning, drafting, quality controlling); the 4S Plan for composing writing product (statement, support, structure, style); techniques to move writers from a me-focused style of essay writing to a results-oriented, us-focused business writing style and it-focused technical writing style; and the groundwork for becoming and remaining a successful on-the-job writer through inspirational, memorable, and relevant writing tips.
